# St. Pius X Catholic Church <u>K-5 Elementary Religious Education</u> 2022-2023

August 8, 2022

#### Dear Families,

It is time to register for the 2022-2023 K-5 Elementary Religious Education Programs. We know & affirm that the primary responsibility for sharing faith rests with the family. We will have both in-person & online options for families with children in K-5 again this year.

- In-person, twice a month K-5 Religious Education sessions meet Wednesdays from 5:45-7:15 pm.
   The sessions are from October through April & provide children with opportunities to learn & share their faith by participating in multi-age/large group activities & grade level/small group work.
- In-person, once a month Family Catechesis (Grades K-5 ONLY) meets Sundays from 10:00-11:30 am. This program meets October through March & is designed for the whole family to participate in prayer & faith-sharing activities. There are additional work assignments to be completed at home between sessions. This is an excellent opportunity for children & their parents to focus on faith-building together.
- Online, twice a month K-5 Religious Education sessions meet Sundays from 8:15-9:00 am. Families will log in during the designated time to participate in the sessions. Families will receive log in information and materials to use during the sessions.

We hope that one of these options will fit into your family's schedule. Whichever one you choose, please know that it is extremely important to continue your child's religious formation year after year. Religious education is <u>not</u> strictly for preparing for sacraments! As a parent myself, I have found that as children mature, it is even more crucial to keep them involved in their parish so that their Catholic faith grows with them. As the years go on, our religious formation classes move from learning the basics of the Catholic faith, to applying our beliefs in day to day life.

#### **Dates & Times for the Parent Meetings/Orientation**

- FOR Online K-5, Sunday, September 11<sup>th</sup>, 8:15 am (online)
- FOR In-person, Family Catechesis (K-5 ONLY), Sunday, September 18th, 10:00 am in AZ Room
- FOR In-person, Grades K-5, Wednesday, September 28th, 5:45 pm in Teen Center

As you are completing your registration, please consider completing the Catechist Volunteer Form to volunteer. Our programs rely entirely on volunteers...we can not do it without you! We know you are busy, but we hope you will share your talents with our children! All lesson plans & supplies are provided, so once you review the lesson, you can enjoy spending more time with the students. Being an active participant in religious education sessions as a catechist or catechist assistant sends a powerful message to your child that religious education is important.

Please return your registration forms as soon as possible! This is a tremendous help in planning for supplies & scheduling resources. If you have any questions or concerns, please call me in the R.E. office. I look forward to working with you & your children.

#### Blessings,
